Cultural sites

Both chef and creator, Alain Ducasse is, above all, an esthete, an artisan of living and eating well.

In addition to the menu conception for his restaurants, he is also involved in the set design of the culinary arts, all the while giving the chefs the freedom to express their own interpretation of the location and their editorial line. Alain Ducasse's cuisine takes its inspiration from nature and aims at being: respectful, responsible, humanist, influential.

THE GROUP'S 4 CORE VALUES

**THE ORIGINAL TASTE
AND NUTRITION**

THE COMMITMENT

THE HOSPITALITY

THE TRANSMISSION

OUR MISSION

To put excellence at the service of good eating, fair cuisine and hospitality, to offer a lasting emotion, with a responsible approach, and with the transmission of knowledge in mind.

OUR VISION

The importance of eating well every day, while respecting nature and those who cultivate it.

THE MANIFESTO

For over 30 years, chef Alain Ducasse has made original taste his life's quest.

In a constant quest for excellence, he has carved a path. One of craftsmanship that explores the original taste without distorting the product's structure. For a responsible, vibrant cuisine, rooted in the terroir, where nature sets the rhythm and the elevated ingredient makes way for less salt, less sugar, less fat. Naturality is the battle of Chef Alain Ducasse.

Considering cuisine as a responsible act, Alain Ducasse has placed the concept of good eating at the core of his commitment, while respecting nature and those who cultivate it, while envisioning and addressing the significant challenges of our time.

Transmission is the second great quest of his life. The Chef has paved the way by identifying great talents. These talents are now expressing themselves within a Maison, sharing a common vision, crossed with the expression of the identity of each chef and each employee.

It is through this transmission that the pursuit of excellence has become the essence of our Maison.
To create lasting emotion.

Alain Ducasse. Exalting the original.

VENUE THAT REFLECTS YOU

Every reception begins with a setting.

DUCASSE Reception opens the doors to prestigious or carefully guarded addresses: from the splendor of the Château de Versailles to the quiet charm of a Parisian museum, from a private dinner in a family home to the intimacy of a brasserie lounge...

For unique, tailor-made events, we assist you in finding the perfect venue and introduce you to exclusive, lesser-known locations in Paris.

THE ART OF INSPIRING WONDER WITH AUTHENTICITY

Beyond carefully selected ingredients and recipes born from ongoing creative research, every detail is thoughtfully considered, from tableware to the choreography of service. Wherever the event takes place, our teams move with precision and elegance to offer your guests the same sense of enchantment found in our own venues.
